Jennifer H. Pressimone

About Jennifer

Jennifer Pressimone, clinical aromatherapist and scent intuitive, is dedicated to helping others heal deeply and live fully through holistic aromatherapy. She is the CEO, product formulator, and lead educator at JennScents & JennScents Aromaversity, as well as an author, motivational speaker, and Vice President of the National Association for Holistic Aromatherapy. A popular experiential speaker at health and wellness conferences, Jennifer has been featured in numerous publications for her work on the mental and emotional connections to health challenges through scent-triggered memories and emotions.
